

Wrentham Youth Baseball and Softball Association 2026 Sponsorships

Dear Local Business Owner:

Wrentham Youth Baseball and Softball Association (WYBSA) once again requests your support to help ensure another successful season for the boys and girls in Wrentham.

We very much appreciate your support of WYBSA. Like you, WYBSA operates on a very tight budget. As a result, WYBSA needs to rely on the generosity of its sponsors to continue to make baseball and softball available to every boy and girl who wants to play. In addition to helping the children of Wrentham, a WYBSA 2026 Sponsorship also provides a positive impact for your business, as we take every opportunity to encourage our families to show loyalty with our supporting Sponsors, including on our website, wybsa.info.

Our program helps over 500 Wrentham children develop life-long habits for success by combining athletics, character building, teamwork and accountability. Your donation supports WYBSA's goal of providing fee waivers for any child who cannot afford to pay the league fees, as well as allowing us to invest in improvements to our facilities.

WYBSA prides itself on being a true in-town recreational program, where all players of all talents are welcome and encouraged to play. Our fields have never been busier throughout the Spring and Summer with local families who support your business. In recent seasons, we have hosted District Cal Ripken Tournaments and "The World's Longest Baseball Game". Our children have enjoyed great success, and made their parents and friends proud, including Hockomock 10U Baseball Champions last season!

Please review the attached Sponsorship Package Information, choose the package that best meets your organization's needs, and return it to us **by March 13, 2026**. If one of the packages does not match how you want to show your support, please reach out to one of our Officers or Directors, and we will gladly customize a package to suit your needs.

WYBSA is a 501(c)(3) charitable organization. Your donation may be tax-deductible. Consult with your tax advisor.

Sincerely,

Cory Clark, Treasurer
